

National Park of American Samoa NPS/Bryan Harry

Working with American Samoa

By the Numbers

Almost every American city and town claims a little bit of the National Park Service. Communities invite us to help them. Together we build trails and playgrounds, return historic buildings to productive use, revitalize neighborhoods, expand affordable housing, protect watersheds, recognize and promote local history, and introduce the next generation to stewardship opportunities. When we combine our expertise and resources we can accomplish great things.

1 national parks

3,006 visitors to national parks (in 2010)

24 National Register of Historic Places listings

20,473 hours donated by volunteers (in 2010)

7 National Natural Landmarks

2 National Historic Landmarks

\$1,040,714 in Land & Water Conservation Fund grants
(since 1965)

\$6,811,205 in historic preservation grants

20,366 objects in national park museum collections

7 threatened and endangered species in national parks

33 archeological sites in national parks

These numbers are just a sample of the National Park Service's work. Figures updated 12/2010.
